3. I believe that I am the original, first and sole inventor of the subject matter which is described and claimed in United States Patent No. 5,657,600 (the '600 patent), granted on August 19, 1997, entitled "Web Member for Concrete Form Walls," and for which a reissue application was filed on August 13, 1999 as Application Serial No. 09/374,598 and amended on June 19, 2000.
4. I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. § 1.56.
